

## Community Music with Rob Zollman

### Drum Circles Empowering, connective & fun!

A drum circle offers In-the-moment music making in an inviting and inclusive atmosphere. No prior experience is required. The focus is not on creating perfect sounds or rhythms. Instead, everyone is encouraged to play, sing along and dance, or just enjoy the music. We use hand drums, shakers, and wood and metal percussion instruments to play rhythmical games, create hypnotic grooves and drum to familiar songs.

### Benefits

Drumming is emotionally and physically beneficial. It's gentle and supports memory function. It builds community and empowers people to enjoy music in ways they may never have experienced.
