

Hands-On Music

ADULT JAMS

\$15/musician. We meet from 7 to 9:30 but sometimes we go a little later.

Each rehearsal we will put together different combinations of musicians based on the songs we're doing, instrumentation and your comfort level. We're flexible. Depending on who's here we either rotate different people in and out as necessary, or everyone can be part of every song.

Bring ideas for songs you'd like to play. We play both instrumentals and vocal tunes, so if you're a singer, be sure you have your lyrics and know the key for each song you sing. It's also helpful to have a lead sheet (written melody with chord symbols over top and lyrics if the song is a vocal tune). We may or may not follow an actual recorded arrangement, but it's good if you're familiar with an arrangement.

We provide assistance and coaching

Rob Zollman helps keep things organized, directs only when necessary and fills in on drums or percussion when needed. Mainly you'll do the playing.

Our studio

We have a full drum set, hand percussion instruments, a PA system, a couple of keyboards, a couple of guitar amps and a keyboard/bass amp. Bring your instrument (except drums and keyboards, unless you've got a keyboard you absolutely must use). Guitarists should bring their own effects.

Give us a heads-up!

Let us know you're coming. Please call, text or email us.
